

Program Summary

Pathways to Health Peru is dedicated to honor the foundation laid in 2000 establishing Healing Touch and Energy Medicine in Peru by Dr. Mary Jo Bulbrook, CEMP/S/I, HTCP & Instructor. In addition, these events serve to bridge the past with the future establishing new boundaries taking the work to the next level and creating new opportunities to grow in the work.

On Feb 12 Dr. Bulbrook will honor those in Healing Touch and Energy Medicine who have completed the training including instructors. Healing Touch Program has a special gift to those who attend that will be given to those present from Healing Touch. The TYLEM practitioners and instructors will be recognized as well with sacred ceremony. On Saturday Feb. 13 there will be the opportunity to sample some of the key new trainings such as Energy Medicine with Animals, Supporting with Death and Dying and Experiences with Journey to the Light Labyrinth to Balance the Energy System. Please let the coordinators know if you are attending and that the certificates of achievement can be awarded. [Please use this form so](#)

[that we have a record of achievement.](#) Certificates of attendance will be given for each event and can count to for continuing education requirements for certification.

Specialist Training launches this new effort with three modules: Multi-Dimensional Healing, Meridian Theory and Meridian Practice. This content is will deepen your ability to determine how to alter the flow of energy in the body and beyond ordinary time and space providing you with experiences that transcend ordinary consciousness. Mystical experiences are created by development of the energy system study, exploration and practice. Under the leadership of one of the founding elders of Healing Touch and Transform Your Life through Energy Medicine Programs you will evolve your skills to another dimension creating the opportunity to achieve the label of Complementary and Alternative Medicine (CAM) Specialists. Depending on your background and further study, this credential is awarded to support your career development. There is an option to receive University credit from the Division of Continuing Education of Akamai University an affiliated program of Energy Medicine Partnerships International (EMPI). Those who desire this credential will be required to apply and fulfil the criteria established for this credential. [Click here for details.](#)

Connecting with Angels - Walking the Path of Light and Love is a new program established in 2015 for the Spiritual Development Certificate. It combines the work of Evelyn Mulders from Canada and Dr. Bulbrook with Journey to the Light Labyrinth designed by Mary Jo. The Archangel Blessings Scents are part of this experience.

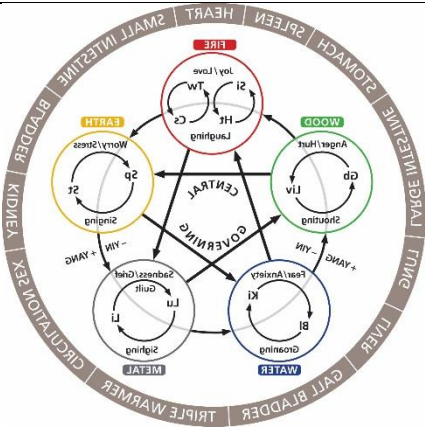

Private healing sessions with Dr. Bulbrook are available in individual sessions or group experience providing the opportunity to witness how to dynamically apply specialist training to clients.

Objectives: Participants who attend any or all of the events offered by Dr. Bulbrook will receive a certificate of attendance. To ensure this is complete, please register ahead with this registration form. Participants will be able to:

1. Connect with the Healing Touch & TYLEM communities.
2. Describe the updates in both programs
3. Receive recognition for practitioners & instructors in both program

4. Experience sacred ceremony for those attending the Feb. 12 & 13 celebrations
5. Describe the CAM specialist training with multi-dimensional healing & meridian work
6. Explore specialist healing in group setting
7. Descriptions of CAM Specialist work with death and dying, working with animals and Journey to the Light Labyrinth
8. Explore Angelic Blessings Scents
9. Sharing Certificate Program Options
