Title: A Certificate Program in Spiritual Development

Offered through Energy Medicine Partnerships International

Affiliated with Akamai University Division of Continuing Education

Description: The CAM Specialist Training Programs offered through Akamai University Division of Continuing Education and the Institute for CAM Studies in Energy Medicine /

Spiritual Development

Integrative Health are designed for those interested in a professional training certificate. The program in Spiritual Development is designed to build a solid foundation supporting and awakening an individual's life path. To achieve this mission, a non-denominational spiritual awakening, attunement and healing journey includes a mentorship relationship with one of the faculty. There are many spiritual paths that support spiritual development based on ones' beliefs, traditions and guidance. This program works with your particular gifts, faith traditions and interests and builds on them through your personal spiritual development. Experience a variety of spiritual exercises and experiences that support spiritual development and unique focus to open to your soul's divine path through guidance. It can include working with sacred sites and studying indigenous cultures.

Goal: The Certificate Program is offered to support individuals to personally advance through spiritual awakening, attunements and healing. The program was launched in 2015 as describe below:

Banff 2015 Conference
